## Directions To Constantine Bay and its houses

### 1. If taking the B3274 to Padstow from the A30

Keep on the A30 passing around the south side of Bodmin, until you reach The Victoria Interchange, signed Victoria and Roche. At the 1<sup>st</sup> roundabout off the A30 follow Victoria again and continue on before taking a right turn onto the B3274 towards Padstow. This is a rather narrow winding road going through Tregonetha and leads to Winnards Perch roundabout where the B3274 crosses the A39. Continue on the B3274 towards Padstow, taking the second turning left (after nearly four miles) signposted St Merryn.

After another mile, go straight across at a slightly staggered crossroads. Continue along this road (very sharp bends but do not turn off) which eventually brings you to the crossroads at St Merryn with its restaurants, shops, PO and garage.

### OR 2. If taking the A39 from Wadebridge and the new by-pass

Leave A30 into Bodmin and follow Wadebridge road. On the outskirts of Wadebridge, keep on the by-pass and take second exit from the roundabout signposted Truro. After passing over the river on the new bridge keep on the A39 for about 2 mile, then take the right turn signposted Padstow (A389). Proceed through St Issey and Little Petherick until you reach a T-junction. Turn left and follow this road for over 1 mile, after which take the right turn following signpost to St Merryn. At the slightly staggered crossroads mentioned in instructions above, go straight across and follow this road to St Merryn.
